SPECIAL THANKS

A BIG thank you to all of you who so kindly donated your hard earned dollars to bring this printed music guide to the playa!

A wet LIPSMACKER is planted on my 2010 Black Rock City families, Camp of the Rising Sun and Sparkle Pony Corral. I couldn't give this gift without all of you to inspire me!

A RAWKIN' bootie shake goes out to all the sound camps that so diligently sent me their DJ line-ups!

And super HUGS to my tech support, editor, fact checker & most of all dear friend, Celeste.

Let me know what your favorite music moment was of 2010 when you get a chance to shake the dust from your sparkly boots.

Till next year...
