BURNING MAN

# 2016

## TEXT GUIDE:

**Day**

**Camp Name**

*Description*

*Location*

*Time*

*DJ*

 = Mutant Vehicle

 = RSL Recommended

 = Live Music Event

---

## WARNING:

*Subject to spontaneous outbursts of song and dance.*

This is just a guide.

Camps & mutant vehicles who wished to be included are.  
Those who wished to remain stealth, are.

All contents and times are subject to change without notice and at the whim of the playa because: **Burning Man!**

## LIBRARIAN THANK YOU!

Christopher Cilley & Terry Grossman, thank you for another year of smooth RSL database and Time to Burn app sailing!

A big dusty hug to ALL of you Burners who donated this year and supported the guide all these years. **THANK YOU!**

And to those who've had a topsy-turvy Year of the Monkey like me:  
"That's what learning is, after all; not whether we lose the game, but how we lose and how we've changed because of it, and what we take away from it that we never had before, to apply to other games. Losing, in a curious way is winning."

- Richard Bach

**Layout Design** by Stu Messier

**Cover Photo** by Geoffrey Squire Silver

Thank you, Hina Chaschin, and your team at **Annuncio Agency**, for your printing services.

## HOW TO SPEAK TO LAW ENFORCEMENT:

- > *Officer, my name is [give your real name].*
- > *Am I free to go?*
- > *If I am not free to go, please explain to me your probable cause for stopping me.*
- > *I politely refuse to give you any further information.*
- > *I do not consent to a search of me or my belongings, tent, vehicle, or camp.*

*Your best defense against citation or arrest may be politeness.*

*Nothing requires you to incriminate yourself, and an officer may cite you for revealing any illegal behavior.*

*If you wish to exercise your right to be silent, say so out loud.*

## WHEN CAN THE POLICE STOP AND SEARCH ME?

- 1 Police may briefly stop to ask for your identity without probable cause of a crime.*
- 2 Police may not require you to answer additional questions, detain or search you without either consent or probable cause.*
- 3 Probable cause means an officer must be able to point to specific facts indicating criminal activity.*
- 4 An officer may ask your consent to search you or your belongings.*
- 5 Your refusal to give consent does not constitute probable cause for a search.*

*This is not legal advice. This is information discussing the general state of the law. We urge you to consult a lawyer for legal advice about a particular legal question or issue you may have. If you believe you are coerced into giving consent for a search, or that you are searched without probable cause, you may wish to contact the ACLU of Nevada at [www.aclunv.org](http://www.aclunv.org).*
